

ECKINGTON VILLAGE MEMORIAL HALL

SCAFFOLD TOWER HIRE LIABILITY WAIVER FORM

Working at height can be dangerous due to the increased risk of falls. Use of a scaffolding assembly reduces the risk considerably but is not guaranteed to remove all risk. Hirers must take account of how they intend to use the equipment to ensure it is being used safely and that it is assembled and set up in a safe and stable situation to avoid the structure moving or toppling.

Hirers must ensure they have studied the assembly instructions and constructed the scaffolding tower in accordance with those instructions.

Please check all components for damage when assembling and if in any doubt about the serviceability of any part do not proceed any further, disassemble the equipment and return the scaffolding for a full refund. If the hirer decides to continue with the use of the scaffolding they do so at their own risk.

As we have no control over the individual use of the equipment Eckington Village Memorial Hall and its' management committee cannot accept any liability for injuries caused through the use of the equipment.

Name of Hirer :

Address :

Date of Hire :

I understand and accept the risks with use of this scaffolding equipment and accept that Eckington Village Memorial Hall will not be liable in the event of harm or loss.

Signature of Hirer :

Date :
